

Deena Kastor is on track for the 2008 Olympics in Beijing China. She brought home the Bronze medal representing the USA in the 2004 Olympic Marathon in Athens Greece and also holds the US marathon record.

Deena is taking MaxGXL through John Wood, one of our team members on the Mainland. Thanks to John and Dave Begley for his relentless work ethic.

Deena loves MaxGXL and says, “it makes me run faster”.

We have an Olympic Champion on the product!
